Checkwriting Account Agreement

Each person signing the Checkwriting Signature Card on the above (an "Applicant") certifies that his or her signature thereon represents such Applicant's legal signature. Each Applicant guarantees the genuineness of any other Applicant's signature appearing on the Signature Card. The Fund from which Applicant's checks are to be paid, Applicant's Broker (if any), and UMB Bank, n.a. or its bank affiliates (collectively, the "Bank") and any of their successors are authorized to recognize such signature in the payment of checks, drafts and other instruments ("Checks") against Applicant's investment account ("Account"), any (1) of the signatures on the Signature Card, standing alone, being sufficient.

Each Applicant agrees to be bound by the Terms and Conditions for Check Writing (the "Terms"), which may be forwarded to Applicant by Bank from time to time. The Terms may be amended by the Bank, and shall be binding on Applicant and the Account when an Applicant receives notice of any such changes.

Each Applicant hereby appoints the Bank as Applicant's agent for purposes of this Checkwriting Account Agreement. The Bank is authorized, upon the presentment of Checks or other electronic debits drawn on the Account (collectively, "Debits"), to transmit such Debits to the Fund or its Transfer Agent or to the Broker (as appropriate) as requests to redeem shares in the Account in an amount sufficient to pay such Debits, and to effect their payment. Applicant agrees that Bank may honor electronic payments to or from the Account as authorized by Applicant, when such payments are processed in accordance with law and the applicable payment system rules.

Applicant agrees that the Account is subject to the applicable terms and restrictions, including charges for check writing and payment processing services, as set forth in the current Prospectus or in a separate fee schedule for each Fund.

Applicant agrees that payments made from the Account under this Checkwriting Account Agreement are governed by the laws, including the Uniform Commercial Code, as enacted in the State of Missouri, as amended from time to time. Applicant consents to the jurisdiction of the state or federal courts in Missouri over any dispute or claim arising out of the provision of check writing or other payment services under this Agreement. Applicant agrees to examine the statement for the Account promptly. Applicant agrees to report any claim that a Check or other payment made from the Account was forged, altered, or otherwise not authorized within thirty (30) days of receipt of the statement by any account holder. Failure to notify the Fund, the Broker or the Bank within that time will preclude any claim against the Fund, the Broker and the Bank by reason of any unauthorized or missing signature, alteration, or error of any kind. In the event the Fund, the Broker or the Bank is deemed liable for any unauthorized payment or any failure to honor a stop payment order that has been properly given, such liability shall not exceed the face amount of the Check or other payment improperly made.

Legal Entity Beneficial Owner Disclosure

1

GENERAL INSTRUCTIONS/DEFINITIONS

In compliance with the Customer Due Diligence requirements issued by the Financial Crimes Enforcement Network (FinCEN), financial institutions must identify and verify the identity of the beneficial owners of all legal entity customers.

This form must be completed by the person opening a new account on behalf of a legal entity customer. For the purposes of this form, a legal entity includes a corporation, limited liability company, or other entity that is created by filing a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or a foreign country. Legal entity does not include sole proprietorships, unincorporated associations, or natural persons opening account on their own behalf.

This form requires you provide the name, address, date of birth and Social Security number (or passport number or other similar information, in the case of non-U.S. Persons) for the following individuals (i.e., the beneficial owners):

Section 2

Each individual, if any, who owns, directly or indirectly, 25 percent or more of the equity interests of the legal entity customer (e.g., each natural person that owns 25 percent or more of the shares of a corporation); and

Section 3

An individual with significant responsibility for managing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, or Treasurer).

The number of individuals that satisfy this definition of "beneficial owner" may vary. Under Section 2, depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified. Regardless of the number of individuals identified in Section 2, you must provide the identifying information of one individual under Section 3. It is possible that in some circumstances the same individual might be identified under both sections (e.g., the President of ACME, Inc. who also holds a 30 percent equity interest). Thus, a completed form will contain the identifying information of at least one individual (under Section 3), and up to five individuals (i.e., one individual under Section 3 and four 25 percent equity holders under Section 2).

The financial institution may also ask to see a copy of a driver's license or other identifying document for each beneficial owner listed on this form.
